DRUNKEN TOURNAMENT RULES

Teams of 5 or 6. Must have 2 girls with 6 and 1 girl with 5.

***CANNOT PLAY WITH MORE THAN 6 PLAYERS!!!**

All teams will have 6 cups to drink from. Only the 6 that drink will be the ones who play. This is a drinking tournament, **must** partake in the flip cup race. **NO EXCEPTIONS!**

Girl rule applies to the October tournament ONLY!

2 games to 15 (cap @ 17), rally scoring with let serves

House rules apply, call your own game

Before the start of each game, the teams must partake in a flip cup round. The winner of the flip cup will receive both side and serve for both games. Please report your scores to the ref when you are done. Flip cup and volleyball BOTH count towards your win/lose record. In the event of a tie, the team with more flip cup wins, advances. If both teams are tied then they go head to head to determine the winner.

Flip cup champs will be determined after pool play. The top team from each pool will advance after all tie breakers are played. A playoff across all leagues will determine the flip cup champs. If there are 3 pools, the bye pool will be drawn randomly at the start of the tourney.

PLAYOFFS: Will be 2 games with the same rules above, the flip cup counts as the third game. Drinking is what this tourney is about so we want to reward your efforts.

HAMMERED RULE - If a team member becomes too intoxicated that they may hurt themselves or others they will be asked to step down. That team will finish the tourney down one player. This is to ensure everyone's safety and to prevent unwanted injuries.
